HISTORY
The University opened in 1970 as Sangamon State University and became University of Illinois Springfield in July 1995.

ACCREDITATION
The University of Illinois Springfield is accredited by the Higher Learning Commission, a regional accreditation agency recognized by the U.S. Department of Education. In addition, some programs are individually accredited by their respective associations.

COURSE NOTATIONS ON TRANSCRIPT
Notations are included with certain courses to indicate special types of earned credit. These notations include the following: AP (Advanced Placement), CLEP (College Level Examination Program), CPL (Credit for Prior Learning), IB (International Baccalaureate), and PR (Proficiency).

COURSE NUMBERING/PLACEMENT ON TRANSCRIPT
Prior to Fall 1973, courses were identified by title only. An asterisk was used to designate those courses for which graduate credit was awarded. Since Fall 1973, courses have been numbered as follows:

000-399	Undergraduate level
400-499	Undergraduate or Graduate level depending on the student level*
500-599	Graduate level*
600-699	Doctoral level*

* Depending on the student level at the time of enrollment, these courses may appear on the Undergraduate, Masters, or Doctoral portion of the student's transcript.

CREDIT HOURS
Prior to Fall 1973, credit hours were expressed in quarter hours. Since Fall 1973, semester hours have been used.

RELEASE OF INFORMATION
The Family Educational Rights and Privacy Act of 1974 prohibits release of this record or its contents to any third party without the written consent of the student.

TRANSFER CREDIT
Students enrolled prior to Fall 2004 have only their accepted transfer hours displayed without a transfer GPA. Students enrolled for the first time in Fall 2004 or thereafter have all completed transfer hours displayed in addition to a transfer GPA (calculated based upon hours attempted at all other institutions attended).

GRADE POINT AVERAGE
Each student will have a Grade Point Average (GPA) for each level of attendance (possible levels: Undergraduate, Masters, Doctoral). Within those levels, a student will have an institutional, transfer, and overall GPA. Institutional GPA is calculated based upon hours attempted at UIS only, transfer GPA is calculated based upon hours attempted at all other institutions attended, and overall GPA reflects a cumulative total of both institutional and transfer GPA.

GRADING SYSTEM
1970 through Summer 1982*

AA	=	Excellent
BB	=	Good
CC	=	Passing**
SS	=	Satisfactory (credit only course)
AU	=	Audit
I	=	Incomplete
NC	=	No Credit
NR	=	Not Reported by Instructor

*   No GPAs are computed prior to Fall 1982 because of the non-punitive nature of this grading system. Students had the option to continue using this grading system until Fall 2004 when all students were converted to the grading system listed below.

** Fall 1972 – Summer 1979, CC grades are considered unsatisfactory for graduate credit. Fall 1979 and after, CC grades may count for graduate credit in some programs.

Beginning Fall 1982

Calculated		Not Calculated	
A	4.0	ACR	Academic Preparation Credit
A-	3.7	AU	Audit
B+	3.3	CR	Credit*
B	3.0	DFR	Deferred
B-	2.7	I	Incomplete**
C+	2.3	NC	No Credit
C	2.0	NR	Not Reported by Instructor
C-	1.7	R	Repeat
D+	1.3	W	Withdrawal

*   Effective Fall 1984, CR=B or better for graduate students; C or better for undergraduates.

** Effective Fall 1999, the time limit for finishing an I grade is one year. Prior to Fall 1999, the time period for completion was indefinite.
